FRAILTIES OF JURIES.

A few years ago when the VIR-GINIA CITIZEN raised the question that our jury system might be im clasts and tried to make a little political capital out of the stand we political capital out of the stand we took. It did not cause us to change our position, and as time has rolled by we are more than ever convinced that we were right and that some improvements should be made in our improvements should be made in our possition. The Company was not improvements system of jury trial. The Constitutional Convention, or, rather, to about three-fourths her value with meeting.

boats to accommodate the immense passenger traffic of the Rappahan-non had characterized the presiding-our sister counties in the Northern non had characterized the presiding-our sister counties in the Northern Neck, too, are surely one strong point in any argument for the change in our court system. There has been no case before the court two races become a matter of consideration. The Company was not directly a heavy loser by the disaster to the Richmond, as she was covered to about three-fourths her value with non had characterized the presiding-our sister counties in the Northern Neck, too, are surely one strong point in any argument for the change in our court system. There has been no case before the court two races become a matter of consideration. It shows that friendship is some-then and that some two races become a matter of consideration. The Company was not of time our court system. There has been no case before the court to try to cure all evils by legislation. In the course of his remarks, he spoke of the habit of some preachers of ridiculing the presiding-our court system. There has been no case before the court has been no cas a great many of its members, seem to be of like opinion today. We hope that it may result in searching inquiry and beneficial changes.

almost daily throughout the coun- of this the Company must be ac- treated as having violated his ordihome are lately recorded in the press which cause our minds to recur to is a serious matter to contemplate, to the Northern Neck. but it is nevertheless true, and citizens of our county have seen this

The other instance is a recent human life as displayed in this cited. instance, and therefore needs coraccordingly. A few days later, when it got out how the verdict had been reached, the judge very properly set the verdict aside. In this case there may not have been any personal or factional feeling, and again there may

But we are not out gunning We have always maintained that Brothand seeking to remedy them. That undertake; we have our hands full Times. in attempting to do this right at home, within ourselves. So, as long as human nature continues to be efforts towards removing temptation tutions in the Constitutional Confrom humanity and in having passed vention is wrestling with the propofrom humanity and in having passed and executed laws for the good and protection of humanity in general. If, in the case of juries, we cannot change human nature, and a good system is perverted, we should ensystem in the determine the person for United States Senator, while the same people are unfit and not permitted to have a voice in the election of the natural oyster in Phecbus last week. "Aunt Elsie," as she was known, went in 1850 from Essex county, where she claimed she was born in August, 1785. According to her statement she had lived in three centuries, and it is thought she was the oldest process of the Rappahannock river. Such a first person in Phecbus last week. "Aunt Elsie," as she was known, went in 1850 as she was known, went in 1850 to face thing, to face thing, the deavor to change the system so as to lifted from the people.

fellow citizen within their hands to lispose of as any whim may dictate. If there was ever a thing demanding

destroyed in the fire. Work is nearing completion on the Calvert, the new steamer that was destined for other work, and she will probably be placed on the Potomac river, and the steamer Potomac serve the Rappaster Potomac serve the Potomac serve the Schler Schler Schler Schler Schl Friday, November 29, 1901. insurance. But the Richmond was a boat of exceptionally good qualities, counted a heavy loser.

NOTWITHSTANDING the fact that a the position which we have held, and majority of the State offices are now which would argue that it is a ten. held by citizens of the Valley and able one. In King George county, Southwest those great sections talk this State, a damage suit is pending, about seceding and forming a new and because of a hung jury the judge State, to be called Shenandoah. of the court has decided that it because they feel that they are being must be tried in another county, ignored in the matter of official This was not because there was no recognition. If they were in the virtue in the case, or that there was position of the Northern Neck, or so fine a distinction to be drawn that "outside row," we suppose they a hung jury was not to be marvelled would have rebelled long ago. The at, but because factional feeling memory of man hardly runneth back would not admit of a just decision. to the time when we possessed a Like some other places factional State official. We may have spoken lines are drawn in King George, and if perchance a case in court finds ble that at one time some gentlemen, The Convention adjourned over the Convention adj the jury it is almost useless to en- Madison and James Monroe, each deavor to get a fair decision. This held office, and they were accredited

Mr. Swanson is now the ranking Democratic member of the Committee on Ways and Means, and is one of the ablest and most influential members of the lower house. He will stand for re-election in the Fifth District next fall, and, according to the judgment of wise eaders over there he will hardly have any Democratic opposition. While Mr. Swanson has given no direct intimation on the subject, it is believed by those close to him that he will be a candidate for Governor in 1905. One thing is certain, and that is that he made a great many new friends by his gallant behavior in the recent campaign for his successful opponent.—Richmond Times.

How To Find Out.

What to Do There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every of the urinary passage. It corrects inability to hold water and scalding pain in passing to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

For real dressy suits, silks and braids are the hings, buttons to help out and Ecrue Allove Laces are in great vogue. All these secories and necessities are at C. W. Jones Cash Store, Frederleasburg, Va.
